SAN JOSE EMERYVILLE LOS ANGELES NORTH VIRGINIA PHOENIX PLANO

HYBRID IT SOLUTION FOR YOUR CUSTOM NEEDS

SAFE

- Lowest natural disaster threat in U.S.
- Tier III safety standards
- 2N Power and Cooling redundancy

SECURE

- 24/7/365 on-site security
- Closed Circuit video surveillance
- On-site operations command center
- Perimeter fencing, guard gates

SOCIALLY RESPONSIBLE

In our facilities, we use a cooling system developed by Inertech. It uses 85% less water than the standard data center model. This translates to a cooling cost far below the industry average for our clients.

ACCESSIBLE AND RELIABLE

- 24/7/365 client access
- Employees always on-site
- Extraordinary power and data capacities
- Plenty of parking

UNBEATABLE CUSTOMER SERVICE

We know that our success is due in large part to our unparalleled customer service. So, as we've grown, we have made it a point to adhere to our high service standards. That means if you colocate with us at our new Phoenix, AZ location, you'll get brand new state-of-the-art facilities and the same personal treatment that has made us a premier Los Angeles Colocation Provider since 1994.

TAKE A TOUR

It's impossible to grasp the attention, expertise, and dedication to client satisfaction that go into making and maintaining our facilities without experiencing it first-hand. So, we invite you to come in and take a tour guided by a member of the Evocative team who'll have comprehensive answers to any questions you may have. We look forward to meeting you.

To tour our Los Angeles data center or receive additional information on data center services, please call us at **1-888-365-COLO (2656)** or visit **www.Evocative.com**
